## ABOUT US

Venue Audio Visual is a family run company based in the historic city of Cambridge. The company offers audio visual services to the conference and events market both local and throughout England.

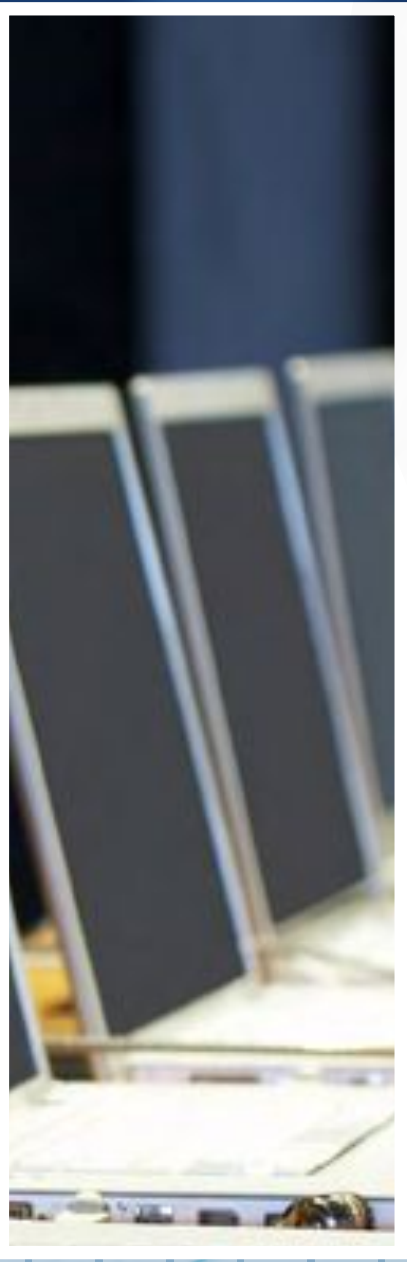

Malcolm and Chris head up a team of skilled professionals, with many years of AV experience. We are proud to offer a wide and diverse range of equipment available for sale or hire along with fully managed conference and events packages.

From a conference with custom designed stage, lecterns, backdrop, lighting, projection, webcasting, sound and experienced technicians to a simple projector hire, Venue has the answer to all of your requirements

The company also offer a full sales and installation service. From a projector sale to a fully installed audio visual system in a conference auditorium, meeting room, classroom, place of worship, village hall or public area - Venue have the solution to your requirements. In addition to this the team also offer maintenance and repair services for equipment already installed.

Our team are proud of thier reputation for providing first class customer service and always strive to go the extra mile, whilst offering a personal and friendly experience.
